

Attendance Newsletter

January 2024 - New year!

Firstly, I would like to welcome everyone back to school. Happy New Year!
You may be aware that the Government has launched a new national campaign to remind parents/carers of the importance of school attendance. You will be hearing about it on tv, social media and hearing about it on the radio.
We regularly remind you about the importance of good punctuality and attendance and the negative impact poor attendance has on your child's educational attainment and social and emotional development. In 2018/2019, just 40% of persistently absent (PA) children in KS2 achieved expected KS2 standards, compared with 84% of pupils who were regular attenders.

The NHS and Chief Medical Officer it is usually appropriate for parents/carers to send their children to school with mild respiratory illnesses, including general cold symptoms like a minor cough, runny nose or sore throat. Please refer to the following link for further information

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

From the first day of term to the last, the small Moments in a school day make a big difference to your child.

Attendance matters - EVERY SCHOOL DAY COUNTS
